

**April 15-16, 2018**

## **Critical Care Transportation Course - CCT** *(Pre-conference Course)*

*CCT* course designed in response to the growing need for qualified specialists in the area of critical care transfer.

It helps to prepare physicians, paramedics and nurses to serve with competence and confidence in meeting the needs of critical care patients undergoing transportation.

*CCT* course will teach essential skills and provide knowledge for the management of patients in the pre-hospital setting, and manage critical patients transportation between hospitals, specialty referral centers, and extended care facilities

### **OBJECTIVES**

CCT course brings doctors, paramedics and nurses together to bridge the gap between prehospital and hospital care

The result is a specialized care provider that has an understanding of both aspects of patient care, and uses the understanding to provide the highest level of care to critical patients during transport

### **16 Lectures & 6 Workshops**

Physician - 1000 SAR

Non-physician - 700 SAR
